

## MINTIA

# the schoolgirls' club at the University of Bremen

### MINTIA ways of communication and interaction:

#### MINTIA

- + informs schoolgirls about careers and courses of study in sciences and technology
- + performs role model trainings for female university students
- + gives advise to researchers about transferring scientific knowledge to schoolgirls
- + experience exchange and sharing knowledge between all actors

#### MINTIA

- + started at the University Bremen, Germany, in April 2010
- + connects 150 schoolgirls from 12 to 18 years
- + creates gender-sensitive programs throughout the whole year
- + realises 15 to 18 events for schoolgirls per year

#### MINTIA

University of Bremen, Germany  
Centre of Excellence Women in Science and Technology
