ENHANCING RESPONSIBLE RESEARCH AND INNOVATION THROUGH CURRICULA IN HIGHER EDUCATION

THE ENRRICH CONSORTIUM WILL:

Build understanding of RRI in curricula

Pilot RRI teaching practices and produce resources

Test Science Shops as a way of incorporating RRI in the curriculum

Stimulate dialogue and leverage policy

Enable mutual learning

Build partnerships

This project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No 665759
