

## Facts and Stats

Over the last 2.5 years, the Enhancing Responsible Research and Innovation (RRI) through Curricula in Higher Education (EnRRICH) project has offered students and staff in HEIs across Europe a chance to pilot Responsible Research and Innovation in higher education curricula by participating in engaged research with Civil Society Organisation (CSO) partners.

**students** engaged

**10**

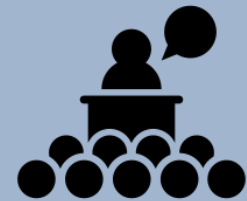

**national/institutional documents** refer to RRI in curriculum

**231**

**CSOs** involved in planning and delivery of pilots

**208**  
conference/seminar presentations

**266** **international delegates**

from 28 countries & 5 continents attended 7th Living Knowledge International Science Shop Conference in Dublin

**79**

**courses/programmes delivered**

**18**

**national/regional policy meetings** with international policymakers

**32**

**published articles**

### Disciplines

Architecture  
Business  
Design  
Engineering  
Environmental Studies  
Geography  
History  
Sociology and Social Work  
Sustainability  
Tourism  
Multidisciplinary

\* **Key EnRRICH paper:** '(Re-) designing higher education curricula in times of systemic dysfunction: a responsible research and innovation perspective.' Higher Education Journal. November 21, 2017 (Downloaded 1,600 times by Jan. 31, 2018)

## Partners

---

- [1] **Vrije Universiteit Brussel (VUB)**  
Brussels, Belgium
- [2] **Queen's University Belfast (QUB)**  
Belfast, United Kingdom
- [3] **University College Cork (UCC)**  
Cork, Ireland
- [4] **University of Sassari (UNISS)**  
Sardinia, Italy
- [5] **Wissenschaftsladen Bonn EV, Bonn Science Shop**  
Bonn, Germany
- [6] **Dublin Institute of Technology (DIT)**  
Dublin, Ireland
- [7] **Corvinus University of Budapest**  
Budapest, Hungary
- [8] **University of Vechta**  
Vechta, Germany
- [9] **IrsiCaixa**  
Barcelona, Spain
- [10] **Wageningen University (WU)**  
Wageningen, Netherlands
- [11] **Université de Lyon**  
Lyon, France
- [12] **Vilnius College of Technologies and Design**  
Vilnius, Lithuania

## Advisory Board

---

- [1] **Aileen Tan**  
Asia-Pacific University-Community Engagement Network, Universiti Sains Malaysia  
Malaysia
- [2] **Ben Roche**  
Southern Cross University and Engagement Australia  
Australia
- [3] **Sophie Duncan**  
National Co-ordinating Centre for Public Engagement  
UK
- [4] **Budd Hall / Rajesh Tandon**  
UNESCO chair in Community Based Research and Social Responsibility in Higher Education  
Canada/India
- [5] **Josep M. Vilalta**  
Global University Network for Innovation, Universitat Rovira I Virgili  
Spain
- [6] **Peter Levesque**  
Institute for Knowledge Mobilization  
Canada
- [7] **Janice McMillan**  
Centre for Innovation in Learning and Teaching, University of Cape Town  
South Africa
- [8] **Henk Mulder**  
University of Groningen  
Netherlands
- [9] **Digna Couso**  
Research Center in Science and Mathematics Education, RRI Tools Project  
Spain
- [10] **Arjen Wals**  
UNESCO Chair Social Learning and Sustainable Development, University of Gothenburg / Wageningen University

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant No 665759
